Stepping into Cascina Di Lusso is like walking through the pages of history—where the artistry of the Italian Renaissance converges with the warmth & tranquility of a country setting. Every element of this 11,000+ sq. ft. estate has been carefully curated to honor the architectural mastery of the past while providing an elevated standard of modern luxury. At its heart lies a hand-painted rotunda, an awe-inspiring masterpiece reminiscent of St. Peter’s Basilica, created by renowned artist Gregory Arth. Throughout the home, every material has been selected for its authenticity & enduring beauty. Limestone fireplaces stand as sculptural centerpieces, their hand-carved forms recalling the grand estates of Tuscany. Marble baseboards & hand-carved mahogany details provide a richness that can only be achieved through true artisanal craftsmanship. The walls, finished in the finest Venetian plaster, glow with the depth & texture of centuries-old Italian villas, lending a timeless, lived-in elegance to every space. The soul of Cascina Di Lusso is in the details—imported antique doors from La Puerta, each with a story to tell, frame the home’s archways & corridors, while bespoke finishes by Walker Zanger & Anne Sacks ensure that no element is anything less than extraordinary. The two-story library is an intellectual retreat worthy of Renaissance scholars, while the media room, game room, & 5,000+ bottle wine cellar offers spaces for entertainment & indulgence, seamlessly

blending old-world grandeur with contemporary comfort. Beyond the main residence, a 1,320 sq. ft. two-story guest house mirrors the main home’s architectural integrity, providing guests with an equally opulent yet intimate retreat. This estate does not simply borrow from history—it honors it. Every archway, every material, & every carefully selected finish was designed to stand the test of time, ensuring that Cascina Di Lusso remains a timeless work of art for generations to come. 5-21 Acres available.
