\$12,390,000

6 Bedroom, 9.10 Bathroom, 9,517 sqft

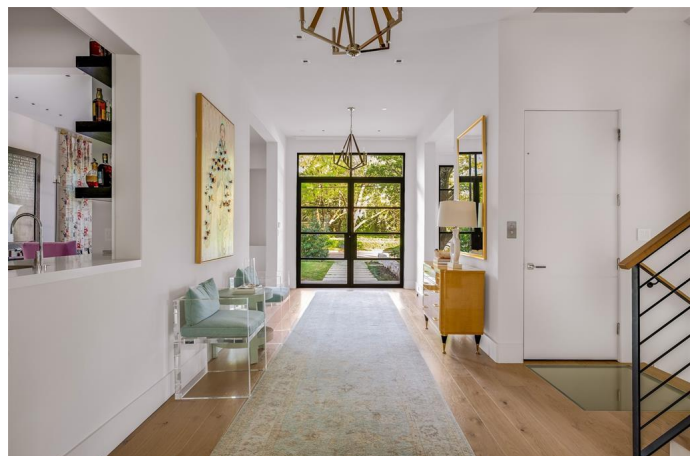

Residential on 0.41 Acres

Francis Daniel Park 2nd Sec, University Park, TX

Nestled along the serene waters of Turtle Creek, this extraordinary custom estate offers over 9,517 sq. ft. of refined luxury and cutting-edge technology. Designed by acclaimed architect Robbie Fusch, this four-level residence is a statement of contemporary elegance, featuring Scandinavian white oak flooring, Porcelanosa tile, and exquisite ceiling details throughout.

Step inside to discover seven bedrooms, nine full baths, and a powder room, alongside three expansive living areas warmed by four fireplaces and all connected by a four-floor elevator. The heart of the home boasts a chef's kitchen with custom cabinetry, two dishwashers, a built-in espresso machine, all seamlessly connected to the indoor-outdoor loggia backing up to Turtle Creek—a spectacular space with a fireplace, sliding Panda doors, dual infrared heaters, and a built-in powered screen, allowing for climate-controlled comfort.

Innovative design meets advanced technology with Savant home automation, 31 built-in automatic window shades, Lutron RR2 lighting, a state-of-the-art Tesla solar roof with Powerwalls, and a generator providing energy efficiency and backup capabilities like no other. Entertain effortlessly with 90+ built-in speakers, 100+ Cat 6 data ports, and custom AV throughout.

The climate-controlled 6-car basement garage is a true standout, featuring sealed impermeable floors and LED lighting. Additional highlights include a private gym with a full bath, a custom imported Canadian-built climate-controlled wine closet with a capacity of over 700 bottles, and strategically placed infrastructure to enhance natural light and open spaces.

Designed for both luxury and efficiency, this home is a masterclass in modern living, offering an unparalleled combination of sophistication, innovation, and architectural excellence in one of Dallas’s most sought-after locations.
